To Whom it May Concern:

It is with great pleasure that I recommend Kathleen Sheridan. Kathleen was an intern this summer and always displayed a high degree of integrity, responsibility, and ambition. She is definitely a leader rather than a follower. In addition to her excellent scholastic accomplishments, she has proven her leadership ability by consistently thinking outside the box to solve problems that arise.

Kathleen is also a most dependable team player; her good judgment and mature outlook ensure a logical and practical approach to her endeavors. Kathleen would be an asset to any organization, and I am happy to give her my wholehearted endorsement.

Kindly,

*Amanda Parisi*
